**Tennessee Christian Chamber Becomes 20th Member
of U.S. Christian Chamber of Commerce Coalition**

Nation's largest Christian Chamber network expands to 20 chambers nationwide

ORLANDO, Fla. (July 21, 2025) — The U.S. Christian Chamber of Commerce Coalition, the nation's largest network of Christian chambers of commerce, proudly announces the addition of the Tennessee Christian Chamber of Commerce (TNCCC) to its growing movement. This expansion marks a major milestone, bringing the coalition's total membership to 20 chambers united across the United States.

Led by Board Chair Tony Bradshaw and CEO Kathy Truitt, the TNCCC is a rapidly growing, mission-driven chamber that brings spiritual depth and business innovation to the Kingdom commerce movement. Their leadership and alignment with the U.S. Christian Chamber's vision will significantly strengthen the coalition's efforts to transform cities through faith-driven business.

"We're not just building a chamber—we're activating a mission," said Bradshaw, founder of the Purpose of Wealth movement. "The TNCCC exists to inspire, equip and unite Christian business leaders to live out their faith in the marketplace. Joining the U.S. Christian Chamber Coalition gives us national strength and the opportunity to multiply our Kingdom impact across Tennessee and beyond."

The coalition now spans Christian chambers in Florida, Texas, California, Virginia, Georgia, Michigan, Ohio, Nevada, North Carolina, Arizona, Minnesota—and now Tennessee—uniting thousands of Christian business professionals under one mission: to advance the Kingdom of God through commerce.

"Adding Tennessee to the coalition isn't just a win for the South—it's a powerful step forward for the entire nation," said Krystal Parker, president of the U.S. Christian Chamber of Commerce. "We are witnessing a national shift as faith-driven leaders embrace the call to build a Kingdom economy. This is more than a milestone. It's momentum."

Kathy Truitt, CEO of the Tennessee Christian Chamber of Commerce, said the decision to join the coalition was deeply strategic.

"Our partnership with the U.S. Christian Chamber Coalition empowers our members with national reach while reinforcing our local mission," Truitt said. "We are committed to fostering a thriving,

Christ-centered business community across Tennessee. Together, we are taking ground for the Kingdom—boldly and unapologetically.”

The U.S. Christian Chamber will join the TNCCC at the upcoming Purpose of Wealth Summit on Saturday, Nov. 8, 2025, in Madison, Tenn. Hosted by Bradshaw and Purpose of Wealth, the summit is a catalytic event designed to ignite revival in the marketplace and equip leaders to steward wealth for Kingdom purposes.
